Holiday Home Assignment

"The road to success is not easy to navigate, but with hard work, drive and passion, it is possible to achieve your dreams."

Dear Parents
Greetings!

Summer vacation is a much awaited time for students as it brings a break from the routine school days and a chance to enjoy some leisure time, it reduces stress and enhances stamina. It offers an opportunity for recreation and refreshment that plays a vital role in students' overall development.

Guidelines for the parents:

1. Encourage your ward to read good books and enrich his/her reading skills effectively.
2. Minimise the use of mobile phone & screen time.
3. Please ensure to provide positive environment to reinforce his/her strengths productively.
4. Have a healthy discussion with your ward(s) and spend quality time with him/her.
5. Motivate your child to be regular and punctual at every step of life. It will definitely reward him/her with success.

Instructions for the students:

- Do complete your assignments in your own handwriting.
- Project files must be well maintained as they will be assessed and evaluated for the Final Assessment.
- Revise & practise all the topics already covered in the class.
- Focus on self-study and utilise this time period optimally.
- Students must use **internet** under the guidance of their parents.

Have a rejuvenating Summer Break!
