## Holiday Home Assignment

*"The road to success is not easy to navigate, but with hard work, drive and passion, it is possible to achieve your dreams."*

Dear Parents  
Greetings!

Summer vacation is a much awaited time for students as it brings a break from the routine school days and a chance to enjoy some leisure time, it reduces stress and enhances stamina. It offers an opportunity for recreation and refreshment that plays a vital role in students' overall development.

### Guidelines for the parents:

1. Encourage your ward to read good books and enrich his/her reading skills effectively.
2. Minimise the use of mobile phone & screen time.
3. Please ensure to provide positive environment to reinforce his/her strengths productively.
4. Have a healthy discussion with your ward(s) and spend quality time with him/her.
5. Motivate your child to be regular and punctual at every step of life. It will definitely reward him/her with success.

### Instructions for the students:

- Do complete your assignments in your own handwriting.
- Project files must be well maintained as they will be assessed and evaluated for the Final Assessment.
- Revise & practise all the topics already covered in the class.
- Focus on self-study and utilise this time period optimally.
- Students must use **internet** under the guidance of their parents.

*Have a rejuvenating Summer Break!*
