

Dear Parents

This academic plan prepared by the teachers outlining the time schedule for dealing with different topics of various subjects is in your hands. It is activity based and the teaching is aided with Smart Class and English Language Lab. It provides a well laid structure to be followed throughout the academic session..

Remember it is the "Can do, Will do" theory that works. The need, at present, is to apply innovative methods and to have wholesome development of the child's personality. It is imperative for teachers, students and parents to work in unison as our sole aim is to develop diverse skills among the students.

Please note :-

"Mind is like stomach
It is not how much you put into it that counts
But how much it digests."

Inculcate the spirit of regular self study with concentration among the students so that they shine like a star and remain stress free.
